

YMCA Co-ed Youth Volleyball (Grades 2-6)

South Toledo YMCA

WE SUPPORT TOLEDO PUBLIC SCHOOLS

YMCA Youth Volleyball is for boys and girls in grades 2-6. There will be two leagues: grades 2-4 and grades 4-6. Parents of 4th-graders can decide which league to put their child in based on experience. This program places a strong emphasis on fun, fair play and learning the fundamentals of volleyball. Winning is downplayed and all players will play at least half of every game. Volunteer coaches are needed to teach the basic skills of volleyball as well as teamwork and good sportsmanship with an upbeat, and positive attitude. If you are interested please indicate this on your registration form (your child will be placed on your team). You must also attend the coaches meeting on Thursday, September 24th. **Please remember that without volunteer coaches we are unable to run our youth programs.**

The success of YMCA programs depends on the support of our volunteer coaches. Knowledge of the sport is not as important as willingness to be a responsible role model to youth. Through your efforts, the youth of the South Toledo area have an opportunity to learn the FUN-damental skills of a sport, refine existing skills, and improve physical fitness.
